Help your community in an original and effective way: car donations.

This page outlines easy step-by-step instructions on how to donate your car to **Cars 4 Causes ®**. Automobile donations of any kind are accepted within the United States. Charity organizations reap abundant, necessary funds with car donations and other vehicle donations.

Here are 3 easy steps for donating your car:

### Step One

A donor may submit a [vehicle donation form](#) from this website or contact **Cars 4 Causes ®** at [1-800-766-CARE \(2273\)](tel:1-800-766-CARE). The donor provides general information on the vehicle that they will donate, as well as selects the charity organization they wish to benefit. We accept most

intact vehicles, whether they are running or not. No smog certificate is required.

## Step Two

Once you donate your car and it is accepted, one of our tow companies will pick up the vehicle at no cost to the donor, or a donor may drop off the vehicle at one of our car donation center lot locations.

## Step Three

The vehicle will be sold at one of our car donation center lot locations once we have a clear transferable title. A written acknowledgement will then be sent to the donor for their contribution.
